

ADVISE A POLITICIAN START A CAMPAIGN ON HUMAN RIGHTS AND DEMOCRACY!

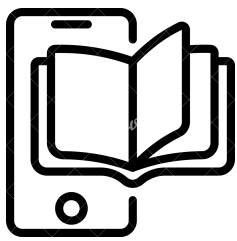

You live in a multicultural city, like the Hague. A politician is visiting your community. He represents a minority party.

He wants to start a campaign on promoting democracy and human rights among young people with different cultural backgrounds. He wants to do it online.

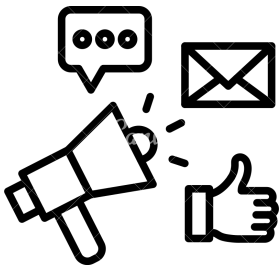

You have to advise him on how to best reach his goals. What would be your 5 main suggestions for him?

Write them down and then present and discuss them with the whole group. The points below are just examples to inspire you.
